Meet Monkeys

1. Pain

Lack of interaction of people from the same region. No overview of people that are doing the same around you.

2. Solution

Real-time updates on activities going on around you. Therefore connecting local people and creating an online platform for connecting with others.

3. Market & Competition

Information to be added

4. Biz model & Funding

Information to be added

5. Team

Theresa Klingenberg

6. Start-Up need ?
